

## « OVA » Pendant Tutorial

Made by Puca

**Materials:**

- 42 Piros par Puca® color 1
- 29 Piros par Puca® color 2
- 14 Helios par Puca®
- 14 Minos par Puca®
- 14 Bicone 3mm (B3)
- 1 Raw Brass Circle Connector 50mm
- Seed beads 15/0 (SB15)
- Seed beads 11/0 (SB11)
- Seed beads 8/0 (SB8)
- 1 Pinch Bail
- Jump rings
- Chain 50 cm
- 1 clasp
- Fireline 0.12

1) Tie a knot on the 50 mm circle.

2) String 1 Helios, 1 SB8, 1 Helios, and go down under the circle.

3) Pass over the circle then through the same hole of the last Helios added.

4) String 3 SB15, 1 SB11, 3 SB15 and pass through the 2<sup>nd</sup> hole of same Helios then go down under the circle.

5) Pass over the circle then through the Helios. String 1 SB8, 1 Helios and repeat step 2 to step 4 inside the circle.

6) You will have this. Go out through SB15 (after the SB11 in the middle).

7) String 2 Piros (color1) and pass through the SB15, SB11, SB15 above next Helios. Repeat the step inside the circle.

8) You will have this. Go out through Piros (top hole).

9) String 1 Piros and pass through the next Piros. Then go straight through the next Piros. Repeat step inside the circle.

10) You will have this. Go out through Piros (top hole).

11) Add one Minos between each Piros and tight a little.

12) Starting from Piros, add 2 SB15 (above Minos) and pass through the next Piros. Repeat the step inside the circle.

13) Go out through the 1st SB15 (from the group of the two).

14) Add 1 SB15 between the two SB15 and go through the next SB15 (without going through Piros). Repeat the step inside the circle.

15) Go out through the SB15 (in the middle).

16) String 1 B3 between each SB15.

17) Pass through the beads and go out through Helios, under the circle.

18) String 1 Piro (color 2), 3 R 15, pass through the 2<sup>nd</sup> hole of the Piro, then pass above the circle and go out under the circle.

19) Repeat step 18 around the circle.

20) You are under the circle.

21) Go out through Piro (between Piro and the circle).

22) String 2 SB15 and pass through the next Piro.

23) Pass through the next 3 SB15 and through the 2<sup>nd</sup> hole of same Piro. Repeat steps 22-23 around the circle.

24) You will have this.

25) Add the pinch bail and the chain.

26) Congratulations! You have finished the «OVA» pendant.

27) Another color variant.

Happy Beading
